GIRLS' UNIFORM LIST

The official school outfitters are: **BILLINGS AND EDMONDS (B&E)**

Tel: 020 8742 0201 www.billingsandedmonds.co.uk

Items marked **B&E** must be obtained from them. All other items may be bought on the “high street”, or through school or on the www.ambitionsport.com website tel: 0800 0180262.

If there are any problems please contact the school. The matrons, house parents or Mrs O'Malley will be happy to help you.

EVERYTHING SHOULD BE CLEARLY MARKED WITH SOWN ON WOVEN NAMETAPES

Some items need a **white hanging loop**, these are marked with a * on the clothing list. Please attach firmly.

Loops on towels should be in the centre of the long side with the nametape beneath.

When in school uniform, girls with pierced ears may only wear one gold or silver stud earring per ear. These must be removed for games. **No other jewellery** is permitted during the school day. Watches must be clearly engraved on the back.

All children are expected to have clean and tidy, sensible black or blue school shoes. Shoe polish is provided at school.

All girls are expected to have well groomed hair, tied back if it is below the shoulders. We would appreciate your checking that your child does not carry head lice; (regular combing is the greatest defence).

Items of value such as ipods, sports equipment etc must be clearly marked and preferably engraved.

Money and mobile phones are **NOT** needed at school except in exceptional circumstances, such as overseas boarders. They should be handed to matrons, house parents or Mrs O'Malley.

Gum shields are obligatory for hockey terms. We recommend that they be professionally fitted, either by OPRO, details of which can be acquired through school, or by your dentist.

The school buys used school uniform, in excellent condition, to sell as second hand. Please remove nametapes and hand to the matrons or house parents. Items bought can be accounted for on the end of term bill. N.B second hand uniform will only be sold during the term.
