Welcome

A warm welcome to all parents, especially new ones at Wellesley. The Michaelmas Term has started and the Wellesley Weekly is the ideal place to read about weekly information and events. It will be published every Monday morning before lunch and includes fixtures, results and events.

Holiday Work

Over the holiday period a number of improvements and changes have been made. The library has new Venetian blinds, classrooms have new projectors fitted, the pet shed has moved, tennis courts have been repainted, the dining hall has been repainted and has new colourful table cloths, DT, modelling and carpentry are in one redecorated room, the dormitories have been repainted, re-carpeted and a new quiet room added, a new recreation room is open and the music school has been redecorated. The school is always looking at ways to improve the facilities, please have a look at some of the improvements next time you are in school.

New Staff

We welcome two new teaching staff to Wellesley: Christopher Cox and Sam Kearnes. Mr Cox, who is head of science, will be teaching Physics, Chemistry and DT and Mr Kearnes will be teaching English and History in the Middle School.

School last week

Six of the Best

Twice a term a piece of art work is chosen to hang in the Headmaster's study. Tatiana North produced a very colourful summery picture, which is the first to

be chosen. Well done.

General Knowledge

The school took a general knowledge paper last week and the year group winners were (out of 150):

1st Block	126	Joey Dyke
2nd Block	118	Gabriel Berti
3rd Block	102	Oscar Pullen
4th Block	78	Alex Mylonakis
JB	75	Jaeg Charlesworth-Lawson
JH	48	Freddie North

If you would like to view the questions, the paper can be found in the news section.

Heptathlon

All boarders were in on Sunday and the children were split into teams and took part in seven activities. Although the weather was chilly, it remained dry and the teams completed all activities. Each team was a mixture of ages and this encouraged cooperation and teamwork. The older children, who were group leaders, led their teams well and ensured all members were included.

School this week

Monday Music

The first Monday Music this year was by Jamie Dix who played a piano piece by Bach.

Captain

Congratulations to Robert O'Malley, who has been appointed as captain of soccer.

Art Scholars Outing

The art scholars will be visiting the local coast to inspire their art work. They will be using a range of media and their work will be displayed in school.

Lecture

At 6.30 pm on Friday, there will be a lecture in the Old Hall by Helen Sharp entitled 'Build Africa'. This is a project the school is involved in, as mentioned by the Headmaster on Speech Day, and the lecture will explain the project in more detail. Please come to the lecture if you would like to know more; all parents are welcome.
