School last week

Exeat

We hope you all had a relaxing weekend and had a chance to hear from your children all about the first few weeks of term.

School this week

Monday Music

Oliver Bond played French jazz in assembly this morning on a 12 string guitar. It was a lovely mixture of pace and volume and many a foot was tapping.

Mark Reading

Mark Reading takes place every three weeks and combines the scores of good marks, bad marks and industry. The individual totals go towards set points. The results are as follows:

Danes	1081
Vikings	1080
Romans	1035
Saxons	1030

Industry

The industry marks mentioned above relate to effort. There is a four point scale and each subject gives a grade based on the effort for between each mark reading. Pupils will be told their scores by the Form tutors, so please ask your children how they did.

Jeans for Genes Day

On Friday 2nd October, the school will be supporting Jeans for Genes Day. The pupils and staff will wear jeans/home clothes and a donation will be made.

2nd Block in France

The 2nd Block leave for France on Friday. Mr Hallam is taking the children for the weekend, returning on Sunday afternoon. We wish them a calm crossing and good weather. A write up will follow and appear in the News section.

Harvest Festival

If you have any food items that you have not brought into school for the Harvest Festival on Sunday, please do so at matches on Wednesday and Saturday.

The whole school is to attend the Harvest Festival service, which starts at 6.30 pm. If you are bringing children back, please do so by approximately 5 pm. We also hope that many of you will be able to attend the service and there will be drinks for adults afterwards.
