## School last week

### **Jeans for Genes Day**

The whole school dressed in jeans and home clothes to raise money for Jeans for Genes. Some photos of the day will be added to the gallery.

### **2<sup>nd</sup> Block in France**

Block 2 had a busy weekend in France, improving their listening and speaking skills. A full report will be available soon and posted in the 'News' section. We would also like to thank Mrs Barwick, who joined that staff on the trip.

### **Harvest Festival**

The Harvest Service was well attended and the choir and readers sang and read confidently. The Right Reverend Michael Turnbull gave a sermon about the importance of thinking of others.

## School this week

### **Monday Music**

Katie Hume-Kendall performed a loud and lively performance on the drums. She was accompanied by a backing track and provided a foot-tapping beat.

## **Colours**

Congratulations to Olivia Goodey, Catriona Jenkinson and Emily Solly, who received hockey colours in assembly this morning for their effort and performance.

## **Prep School climbing competition**

On Sunday there is a climbing competition at Tonbridge. We will be taking a number of children to this and wish them luck. Next week we will give the results of this competition.

## **Open Morning**

The Open Morning is on Saturday from 10:30 am – 12:30 pm. If you would like to come and visit Wellesley, please attend between the above times. If any current parents know of friends who are looking at future schools, please make them aware of this date.

## **Friends Address Book**

Last chance to have your details in the 2009/2010 Friends of Wellesley address book. Please contact Caroline Hume-Kendall by Wednesday at the latest. [hume.kendall@btinternet.com](mailto:hume.kendall@btinternet.com)

## **Email Addresses**

Some of you may have noticed that your children have been using different email addresses. We are in the progress of updating the email system, migrating to an improved version. You can still email to the published addresses, but please also note the following new addresses:
