## School last week

### **Open Morning**

The Open Morning on Saturday was very successful and well attended by many prospective parents. The Block 2 children acted as guides giving in-depth tours of the school. We even had two old Welleslians return to the school, who joined us for lunch and reminisced about their time at Wellesley.

### **Outings**

There were two school outings on Sunday, one to Laser Rush and one to the cinema. Laser Rush was a great success and the children battled hard to be the top scorer with the most hits on the opponents. The cinema outing was to see 'Up' in 3D. The children thoroughly enjoyed the new Pixar production and the 3D glasses made it even more exciting.

### **Prep School climbing competition**

Mr Nicholas took a small group of children to a climbing competition for prep schools in Tonbridge. This was the first time such a competition had been held and the attendance was high. Our children did well and tried their best against some tough opposition. The full results will be sent to the school and final placings will be announced soon.

## School this week

### **Monday Music**

Owing to Mr Dix being unwell last week, Monday Music did not take place.

### **Fixtures**

Unfortunately there were no fixtures last week due to illness in the school. Mr Budden cannot recall a week of cancellations in over 30 years. We hope that as children return to school matches can be rearranged. For up to date information about cancelled matches please use the telephone number for the matchline: 01843 860047

### **2<sup>nd</sup> Block in France**

The full report and pictures of the Block 2 weekend in France can be found in 'Departments' and in the 'Gallery'.

### **Shapira Cup**

The Shapira Cup has been rearranged and we hope to now hold the tournament at Wellesley on the 4<sup>th</sup> November. More details will be given when this date is finalised with all the teams taking part.
